1. [FIFA Laws of the Game](#) as modified by these rules will be the official rules of the League.

In the event that a youth might be unable to participate due to financial hardships, the registration fee may be waived or a scholarship found.
3. Registration fees may be refunded in full prior to insurance submittal and the order of uniforms. Fees minus insurance may be refunded once insurance is submitted and if uniforms have not yet been ordered. The final decision is made by the board.
4. Parental or guardian permission forms must be signed on behalf of each youth releasing the sponsors, the league, league executives, coaches, referees and members from any liability prior to participation in any league activities by the participating youth. The league will purchase liability insurance and secondary accident and medical insurance for league participants.

Coaches will also make every attempt to persuade the parents of their players to display good sportsmanship. Heckling, disparaging or disdainful remarks toward the other teams, coaches or referees will be considered in violation of the basic mission of the league.
